

WIDOW OF ROOSEVELT URGES ELECTION OF WARREN G. HARDING

In Statement Declares Country's Vital Need Is Victory for Republican Candidates.

FIRST BACK OWN COUNTRY.

Says Opportunity Has Come to Women to "Make Her Influence Mighty in Behalf of Nation."

Oyster Bay, N. Y.—Mrs. Edith Kermit Roosevelt, widow of Colonel Theodore Roosevelt, is giving keen interest in the Republican campaign. She recently gave to the press the following statement urging the election of Harding and Coolidge:

"The country's vital need is the election of the Republican candidates.

MRS. EDITH KERMIT ROOSEVELT.

Warren G. Harding and Calvin Coolidge. Only with the full measure of Americanism in the next Administration be attained, if the people shall declare for the party which holds true nationalism as its high ideal. It is not necessary to forget our duty to our neighbor in doing our duty at home.

"The time appeals most strongly to the manhood and the womanhood of America. To woman more than ever before because to her has come the perfected opportunity to make her influence weighty in behalf of the nation.

"This year as never before, with world conditions as they are, steadiness and staunchness of American purpose are obligatory if we would first bring back our country to its stable place and then by strong endeavor do all that can be done for peace and the general welfare in all lands."

REPUBLICANS INSURE ECONOMICAL CONDUCT

Washington.—Not one man in ten thousand realizes the enormous expenses run up by the present Government. The disbursements are roughly \$15,000,000 a day, more than a year after the war. In 1914 the people expostulated because the daily disbursements by the Treasury had reached \$2,000,000. How gladly would the people groaning under the impositions of profiteers and the burden of taxes welcome a return to those halcyon days! Congress and the new Administration will have to deal with the reduction of Government expenditures.

The same party that has swelled them returned to power will never reduce them, because it claims the government is being economically administered. The Republican party will delight in reducing these enlarged expenses for clerk hire, and the insatiable bureaus that have been built up into money spending machines. By holding in their hands all lines of expenditures the new Congress and new Executive working together will cut down excessive items and eliminate others to an aggregate of hundreds of millions of dollars.

NATION DEMANDS THOROUGH CHANGE.

Chicago, Oct. 28.—If one were required to name a single factor which is doing more than any other to work toward Republican success in November, he would probably have to say:

Determination of the public to have a change and to get away from Wilsonism.

Reports from all quarters tell of this feeling, at once a desire for a change and a determination to bring it about at the polls November 2.

Whether it be from the central west, the far west, the east or the south, the reports tell of this seeking for a change. The desire for a change is born of dissatisfaction, dislike and disgust felt by the voters toward the Wilson administration and the things it has done and left undone.

Mr. Cox is looked on as a man who if he were elected would follow the track of Mr. Wilson. In fact, he has declared himself in "complete accord" with Mr. Wilson.

The public, by all accounts, is not looking for a man who will go along with Mr. Wilson or the Wilson policies.

First Pullman Car.
In 1863 the Pioneer, owned by the inventor, was the first Pullman car to be operated on a railroad. This invention, which has been a great convenience in travel, was first used in the United States. The Pioneer was built on the same lines as the Pullman cars now used.

Suppose There's No Hair?
A new York inventor has combined an incandescent lamp with an ordinary electric hair dryer so that a person's hair can be given a tight bath and dried at the same time.

THE SIGN OF QUALITY

The Progress of the World Can Be Traced to Flour Quality—

It is a fact that the progress and development of the nations can be traced by the quality and the quantity of the bread they have used.

No other food has played so important a part in the civilization of man. It has changed his habits from those of the savage to the civilized being. The more advanced the civilization the greater the demand for the highest grade flour. For nearly three generations

Lily White

"The Flour the Best Cooks Use"

has been keeping pace with the exact requirements of America's fast development.

Today it is the choicest product milled in this country. It is made from the most select wheats grown in this country—a blend of soft and hard, to give perfect balance and make it the ideal all-around flour. It has nutrition and sustenance. Few flours equal, none surpass it in texture and color.

The grain is cleaned four times, scoured three times and carefully washed before going on the rolls for milling. The bread, biscuits and pastry made from LILY WHITE have a flavor that is most appetizing—they are light and bake in a way to delight all enthusiastic home bakers. A treat is in store for those who use LILY WHITE. It is guaranteed to please.
